

Large benthic foraminifera

Planktonic foraminifera

Mica

Rock fragment

Hyperconcentrated gravity flow

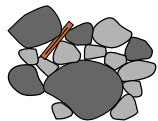

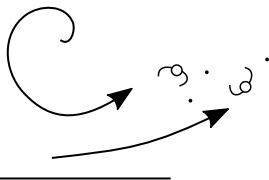

Concentrated gravity flow

Turbiditic gravity flow

Reworked turbidite

Turbulent layer

Dense layer

Conglomerate + porosity

Grain contact + porosity

Grain contact + cement

Floating grains

Segregation

Quartzarenite

L1

L2 - L3

L4

L5

L6

Lithic-rich and polymineralic

Monomineralic

Intrabasinal additions

Quartzose
